Dear Bruce Walchuk :

RE: Annual Rotary Online Auction – April 5 - 11, 2017

Our 2017 Dryden Rotary Club Auction is fast approaching. The Online Auction is one of the Rotary club’s major fundraising projects. Last year’s auction was again very successful, thanks to the generous support of local businesses and service providers like you. Funds raised in our auction are donated back to local youth, senior, and community projects with some support to international projects such as Shelter Box and literacy projects.

We sincerely hope you will support our service club by making a donation to the 2017 Online Auction? This could include;

1. a monetary donation,
2. a material item of a product or products
3. a gift card or gift certificate for a service or product you may provide.
4. even a gift card or product purchased from another business

IF your product is valued at more than \$500, you may specify that you are providing the product on the understanding that you will receive a “reserve bid” and the rest would go to Rotary.

YOUR donation will be advertised on our Online Auction site and some on the CKDR (website and radio) as well. Our auction website will include your address and a link to your business website or Facebook page. Last year the site had thousands of views in the week of the auction.

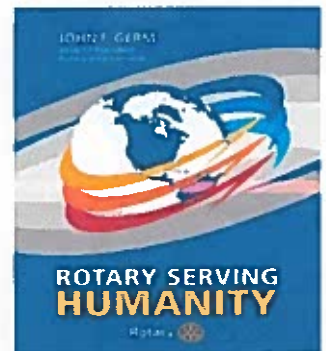

If you are willing to contribute, please complete the attached Donor bid form and contact one of the Rotarians below to arrange pickup before March 8th. You can also contact one of these people now if you need help:

- Rotarian: Brian Braid; 223-5902 (h)
- Rotarian: Bruce Walchuk; 223-5634 (h); 223-2355 (w); 216-8805 (c)
- or the contact person delivering this letter

Sincerely;

Carl Eisener
President, Rotary Club of Dryden 2016/17

Service Above Self®

Donor Form

Rotary Club of Dryden – 2017 Online Auction – April 5 to 11

To be returned to Rotary by March 8th

Please call us at one of the numbers listed in the letter
